

Coordinate Grid Mall Shopping

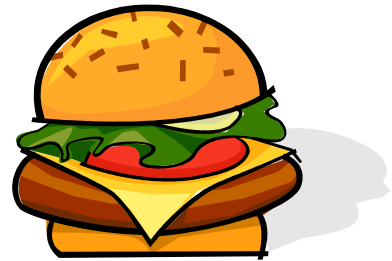

You and your friends are spending Saturday morning at the new shopping mall. You do not want to waste time looking for the stores, so you go to the mall's directory which gives a map and coordinates for the stores you wish to visit. You think the coordinates for the stores are incorrect. Justify your thinking.

Fabulous Sneakers Store
(1, 1)

Upbeat Music Store
(3, 2)

Burger and Fries Joint
(2, 3)
